*MODIFIED MEETING PROCEDURES DURING COVID-19 (CORONAVIRUS)
PANDEMIC:*

In an attempt to control the spread of Coronavirus (COVID-19) and to reduce and minimize the risk of infection, Governor Newsom issued Executive Orders N-25-20 (March 12, 2020), and N-29-20 (March 17, 2020), waiving certain Brown Act requirements around teleconferencing and public participation at public meetings.

Under the new Executive Orders, Committee Members may participate in public meetings, via teleconference, without geographical or posting restrictions; while, requiring the Committee to make the public meeting accessible telephonically or otherwise electronically to all members of the public to observe and to address the Committee. During the existence of these Executive Orders, the Committee is not required to have a location for the public to be physically present to observe the Committee meeting or to address the Committee.

ESUSD is doing its part to help in the efforts to reduce the spread of COVID-19 by encouraging members of the public to watch the Facility Advisory Committee meeting using the following information.
